A BRIEF BACKGROUND INFORMATION

It was reported in the Report for the Year 1961 that the Centre runs a quarterly News Bulletin and so far only three issues have been published. In order to make, the lectures and talks delivered at the Centre, available to members, it was reported that complete set of booklets were printed in 1961 and will be presented on the occasion of the inauguration of the Centre in January 1962.

Report for the Year 1963 indicates that it was decided to bring out a quarterly Journal with provisional title, '**International Understanding**'. It will contain inter alia précis of lectures delivered at the Centre. Accordingly, the current practice of printing these lectures separately has been suspended.

Report for the Year 1964 indicates that an Editorial Advisory Board under the Chairmanship of Dr Karan Singh was constituted. Shri V. M. Kaul was appointed as Editor and plans have been completed for bringing the Quarterly Journal called, '**CONSPECTUS**' and the first number is expected to be issued at the end of February 1965.

Report for the Year 1966 informs that Quarterly Journal CONSPECTUS has completed the second year.

Report for the Year 1967 informs that after a review of two years' experience and on the recommendation of the Editorial Advisory Board, the publication of CONSPECTUS was discontinued from June 1967. Seven lecture pamphlets were also published.

After the discontinuation of CONSPECTUS in 1967, no journal was available in the IIC till 1974.

Report for the Year 1974 informs that Centre's journal has been revived under the new title of **India International Centre Quarterly** which contains lectures, invited contributions and in-depth book reviews. Since then ***IIC Quarterly*** continued to be published.

Dr. Geeti Sen joined as Editor in 1982 and for a short duration of three years from 1998 to 2000 Smt. Sima Sharma took over as Editor before Dr. Geeti Sen resumed the post.
